Visit by HRH Camilla, Duchess of Cornwall to Brockenhurst on 26th July 2016 when she came to open the Poppy Pods at the Tile Barn Centre. During her visit the Duchess viewed the New Zealand Hospital commemorative window and exhibition at St. Nicholas’ Church and the Commonwealth War Graves in St. Nicholas’ Churchyard. The graves from the First World War are mostly ANZAC soldiers who were treated at the No. 1 New Zealand General Hospital in Church Lane but who died from their wounds.

The photograph shows the Duchess with Kevin Baker, Parish Council Groundsman, laying flowers at the foot of the New Zealand War Memorial.

Councillors & Services

Parish Council

Parish Councils were established in 1894 when civic duties were separated from the Parochial Church Councils. Brockenhurst is one of 37 Parish and Town Councils within the area covered by New Forest District Council and is situated wholly within the New Forest National Park. It has a population of around 3,400 including Wootton. Councillors are elected every four years (usually coinciding with District Council elections): ten for the Brockenhurst ward and one to represent Wootton ward.

The Council employs a Parish Clerk who is responsible for supporting the Council in carrying out its functions and implementing its decisions. The Council’s accounts are published annually and are subject to scrutiny by an internal and external auditor.

The Council works closely with New Forest District Council, Hampshire County Council (particularly the Highways Department) and the New Forest National Park Authority (NFPNA). Brockenhurst Parish Council has responsibility for amenities such as the allotments at Black Knowl, the Playground at the Village Hall, most of the Churchyard at St Nicholas’ Church, the bus shelter at Waters Green and the many benches scattered around the Parish. Please contact the Parish Clerk for details of allotment availability, waiting list and charges.

As a result of a bequest from Miss Nalder almost twenty five years ago, the Parish Council owns four flats at Homeford House. These are let to local people over the age of 55 who could not otherwise afford to live in the Parish. They have brought enormous benefit to the tenants during that time and are a great asset to the village. Please contact the Parish Clerk if you would like to be considered for the waiting list.

Council Meetings

The Parish Council meets on the third Tuesday of the month (except August and December) at 7pm in the Village Hall. The meeting is open to the public and a short period is set aside at the beginning of each meeting to enable public presentments to be made. The Annual Parish Meeting is always held on the fourth Tuesday of April.

The Parish Council Planning Committee comments on local planning applications and forwards its views to the NFNPA for consideration in its role as the planning authority. The meeting is open to the public and comments and concerns relating to planning applications can be addressed to Councillors. The meeting usually takes place on the fourth Tuesday of the month but this is subject to change so please contact the Parish Clerk to check the date of the meeting and/or when a particular application is being discussed. If you are forwarding written comments to the NFNPA it is helpful to send them to the Parish Council as well, preferably by email.

The Amenities Committee meets three times per year but any items of concern can be reported to the Parish Clerk in the interim. We also have a Personnel & Resources Committee which meets at least three times per year and deals with all financial and staffing issues, including setting the precept each year. The Events Committee is a joint committee with Brockenhurst Business Association, Friends of Brockenhurst, the Church and volunteers. It organises the annual Pancake Races, the Christmas Fun Evening and other events for national or local commemorations.

The schedule of all Parish Council and Committee meetings for the year is publicised in advance on the Parish Council notice board in Brookley Road and on the Council’s website; details are also available from the Parish Clerk. Minutes of Parish Council meetings and other papers are available on our website or from the Parish Clerk.

At the time of publication, the Chairmen of each Parish Council Committee were as follows:

The New Forest

The Crown lands of the New Forest are divided between timber-growing inclosures and open forest comprising heath, lawn and ancient woodland.

The Forestry Commission is responsible for the management of the Crown lands, balancing opportunities for wildlife and conservation, timber production and public recreation. Forest Keepers are responsible for the wildlife of the Forest: if a commoning animal (pony, cow, donkey, sheep or pig) is in distress, please contact the local Agister by telephone on 0300 067 4600.

The open forest is historically the domain of the New Forest Commoners with ancient ‘Forest Rights’ which are enshrined in Forest Law and are administered and enforced by the Verderers’ Court. The Verderers of the New Forest have statutory and judicial responsibility for the management of commoning, animal welfare and for the conservation of the open forest including grazing regulation. The Court meets at 10am on the third Wednesday of each month (except in August and December) at the Verderers’ Court adjacent to Queen’s House in Lyndhurst. Members of the public can attend.

The Commoners’ Defence Association promotes, safeguards and represents the interests of the New Forest Commoners, particularly with regard to the welfare of ponies, cattle and other stock.
Animals have right of way on the highway and similarly, since property is enclosed rather than pasture, owners are responsible for fencing animals out of their property. Encroachment onto and damage of pasture is taken very seriously and dogs must be kept under control at all times.

Useful Information

Riparian Ownership & Flood Alleviation

The ditches and watercourses in the Parish play a vital part in clearing street or land water runoff, particularly in times of localised flooding.

All residents are requested to be good neighbours by clearing watercourses for which they are responsible and being aware of applicable riparian laws created by the Land Drainage Act 1976. This is enforced by the Environment Agency under powers granted under the Water Resources Act 1991 and the Environment Act 1995.

If a ditch borders your property in any way then you and the neighbouring landowner have riparian ownership and are jointly responsible for maintaining it, even if there is a fence between your property and the ditch. If the opposite side of the ditch is Crown land, it is your sole responsibility to maintain it.

Even if a ditch no longer appears to be wet, the responsibility to ensure that it is kept free of debris and other obstructions still applies.

Prior permission must be obtained from the Environment Agency if you wish to alter a watercourse (for example, extend your property over the ditch). This is to ensure there is no interference within the natural flow of the watercourse.

For more information please see the National Flood Forum website: www.floodforum.org.uk

~ Hire The Hall ~

From private parties to performances, and clubs & classes to celebrations – our spacious and centrally located venue makes Brockenhurst Village Hall perfect for all!

If you have ever thought about organising a regular group, or maybe you have a wedding or celebration to plan – look no further! With over 4,000 square feet to enjoy, we also boast a private car park, large stage, professional sound & lighting kit & excellent facilities!
Set in the heart of the New Forest, our spacious venue is the perfect place to bring family and friends together to celebrate your special day!

The neutral décor provides a completely blank canvas for you to dress exactly as you wish, whilst our canopy can be added to transform the Hall into a marquee for a romantic and intimate backdrop. With space for over 200 guests, you can enjoy exclusive use of our rooms, the large car park, and the kitchen facilities to make your big day one to remember for you and your guests.

“We had our wedding reception here in July. Staff were incredibly helpful, meeting with us regularly to discuss our needs, giving us lots of ideas in regards to decorating the hall, very flexible and always quick to respond to any emails/phone calls. We hired the building for the day, which was extremely good value and meant we had a blank canvas to decorate how we wished. The updated lighting and optional canopy really transformed it into a wedding venue and you can’t beat a drive through the New Forest to get there! We would highly recommend this venue!!”
