Financial regulations are one of the council's governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.

1.2. The council is responsible in law for ensuring that its financial management is adequate and effective, and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

1.3. The council's accounting control systems must include measures:

- for the timely production of accounts;
- that provide for the safe and efficient safeguarding of public money;
- to prevent and detect inaccuracy and fraud; and

1.4. These financial regulations demonstrate how the council meets these responsibilities and requirements. They should be reviewed regularly for fitness of purpose.

1.5. At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

1.6. Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

1.7. Members of council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of councillor into disrepute.

1.8. The Responsible Financial Officer (RFO) holds a statutory office, to be appointed by the council. These regulations will apply accordingly.

1.9. The RFO;

- acts under the policy direction of the council;

- ensures the accounting control systems are observed;
- maintains the accounting records of the council up to date in accordance with proper practices;
- assists the council to secure economy, efficiency and effectiveness in the use of its resources; and
- produces financial management information as required by the council.

1.10. The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time, comply with the Accounts and Audit Regulations.

1.11. The accounting records determined by the RFO shall in particular contain:

- entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- a record of the assets and liabilities of the council; and
- wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

1.12. The accounting control systems determined by the RFO shall include:

- procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- procedures to ensure that uncollectable amounts, including any bad debts are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records; and
- measures to ensure that risk is properly managed.

1.13. The council is not empowered by these Regulations or otherwise to delegate certain specified decisions. In particular any decision regarding:

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

- perform any operational duties for the council;
- initiate or approve accounting transactions; or
- direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.
