Dear Resident,

Active Travel Fund Brookley Road, Brockenhurst – Additional Drainage Surveys

I am writing to let you know that Hampshire County Council has appointed Milestone Infrastructure Limited to carry out additional drainage surveys in Brookley Road, Brockenhurst, as part of drainage work associated with the Active Travel Brookley Road scheme.

Works will start on Monday 15 July 2024 for five nights. Permitted working hours between 8pm to 6am, with the road re-opening the following morning. A road closure will be in place during the works to ensure the safety of the public and operatives. A signed diversion route will be in place. The diversion route plan can be found on the scheme web page.

During working hours, the road will be completely closed to all vehicles except to local residents, emergency, and delivery vehicles.

Please note that the works are weather dependent and may need to be re-arranged at short notice in the event of adverse weather.

The nature of the work may bring some disruption or inconvenience however every effort will be made to keep this to a minimum.

Please email any enquiries regarding these works to: capital.delivery@hants.gov.uk, with the subject line clearly marked, 'ATF Brookley Road, Brockenhurst'.

Further information about the scheme together with any updates about the planned timescales or traffic management arrangements are available at the County Council scheme web page; <https://www.hants.gov.uk/transport/transportchemes/atfbrockenhurstimprovements>.

Yours sincerely,

Senior Project Officer, Capital Delivery
